Apply now through our simple [online application \(https://rossu.secure.force.com/apply/fastapp2?AppType=Vet#\)](https://rossu.secure.force.com/apply/fastapp2?AppType=Vet#)—just make sure to have your [300-word essay \(/admissions/dvm-admissions/requirements.html#personal-essay\)](/admissions/dvm-admissions/requirements.html#personal-essay) prepared, and note that you can submit your application before submitting your supplemental materials, in order to get your file started.

If you're planning on using the VMCAS, Ross is currently accepting VMCAS applications for the January 2018-September 2018 semesters. Alternatively, if you've already completed your VMCAS application, but did not apply to Ross, you can [submit the PDF of your completed application by email \(mailto:vetadmissions@rossu.edu?subject=VMCAS%20Submission\)](mailto:vetadmissions@rossu.edu?subject=VMCAS%20Submission). Be sure to include your contact information and the semester for which you are applying.

Applicants who apply through VMCAS do not need to pay an additional application fee, or write an additional personal essay. You'll still need to submit your [GRE score \(/admissions/dvm-admissions/requirements.html#gre\)](/admissions/dvm-admissions/requirements.html#gre) report and any other supplemental documents, which can be done before or after you submit your VMCAS. We will retrieve [transcripts \(/admissions/dvm-admissions/requirements.html#transcripts\)](/admissions/dvm-admissions/requirements.html#transcripts) and letters of [recommendation \(/admissions/dvm-admissions/requirements.html#letters\)](/admissions/dvm-admissions/requirements.html#letters) from VMCAS directly.

Contact admissions at [vetadmissions@rossu.edu \(mailto:vetadmissions@rossu.edu\)](mailto:vetadmissions@rossu.edu) or 855-ROSS-Vet with any questions.
